Activity by Agency

for Wakeshima
during December

Description: This report shows all (Law Enforcement, EMS, and Fire) events received by the Kalamazoo County Consolidated Dispatch Authority within the specified township for the specified month. These calls are broken down by Event Type, and by the primary agency responding.

Description: This report provides an overview of how many times each agency responded to something within the Venue selected. This has nothing to do with who was primary, but simply shows activity within the area. For instance, an assault may have two KCSO units responding, one KOPS unit, and a MWJUPS unit. This would generate one call tally for each agency. Likewise, a single unit traffic stop by MSP would generate a single tally for MSP.
