ROAD COMMITTEE – RCKC requested a meeting, harvest is in full swing so this will have to wait until a later date as we have quite a few farmers on the road committee. They will work on scheduling it sometime this winter. It was suggested that the culvert they plan on repairing on 36th Street should be moved to the culvert on V Avenue as the one on 36th Street does not cause flooding like the one on V Avenue does. Supervisor Gatlin will look into this.
