Zoning Enforcement Ordinance Report:

Supervisor Deming needs to contact SCMCCI regarding a burning complaint handled by them.

Since all planning commission members cannot be present it was decided that the quarterly meeting of the planning commission scheduled for October 14, 2013 be postponed and

rescheduled for sometime in November, the specific day to be determined at a later date. Postings will be made for the postponement and rescheduling of the meeting.

The recycle container is to be available during the 2nd weekend of October.

Supervisor Deming reported that the fire authority tabled everything that was discussed at the last meeting. There is still a strong desire to merge EMS and the Fire Authority. There was also discussion about future funding for the authority in the form of a new tax.

Old Business:

Bert Gale has been appointed as the Dangerous Buildings Hearing Officer as required by state law. Mr. Gale is licensed and already covers the majority of South County.

J & M Lawn Service has signed a contract for mowing of the South cemetery. They are already presently mowing the North cemetery. Brockways have volunteered to clean out the fence row along the South cemetery. We thank them for their service to the township.

New Business:

PA116 for M & C Farming-A motion was made by Trustee Bennett and supported by Treasurer Munn to approve the request to convert to permanent farm land, property purchased by them from David Taylor. The motion passed.

Appointment of temporary clerk-Due to the inability of the incumbent clerk to perform her duties due to illness (Statute MC41.58) , it is necessary to appoint someone temporarily and possibly eventually permanently to fill the position until the next general election in November 2014. The regular clerk will continue to receive her salary as long as she remains clerk but the temporary clerk will also need to be reimbursed for her services. The hourly wage for a deputy clerk as currently set by the board is \$8.00. Supervisor Deming requested that the rate be raised to \$10.00 per hour for the temporary clerk due to the training and bonding needed to perform the job. Supervisor Deming stated that Trustee Thole was considered by the Board to be the Acting Deputy Clerk. Trustee Thole stated that she had offered her assistance to the township during this time but felt someone needed to be in the position who could devote more time than she could give to the job. Supervisor Deming requested that Trustee Thole resign from the position in order that the Board be able to appoint Shawn Fritz as temporary clerk. A motion was made by Treasurer Munn and supported by Trustee Bennett to request and accept Trustee Thole's resignation as Acting Deputy Clerk. The motion passed.

Citizens Comments:

Bill Burke commented on the condition of gravel roads and the need for dust control.

Jeff DeCuypere commented on the selection of SCMCCI as the Ordinance and Zoning Enforcement officers and building inspectors for Wakeshma Township. He stated that he would like the Board to consider some other companies that perform these services or consider using state inspectors. Supervisor Deming explained that the Township was given very little notice when the Cirino Group resigned and under state law was obligated to have another entity available to perform these services for the citizens of the township. Supervisor Deming stated that the board is willing to give further consideration to this topic at the next meeting.

Motion to adjourn by Treasurer Munn and supported by Trustee Bennett. Motion passed. The meeting adjourned at 9:38 PM.

Respectfully submitted:
