

WAKESHMA TOWNSHIP

The monthly meeting of the Wakeshma Township Planning Commission was called to order at 7:00 PM by Chairperson Jim Deming. Members present were Jim Deming, Jerry Hamelink, Ed Woodhams, Delbert Burr and Barbara Thole. There were no citizens present.

Chairperson Deming asked for the agenda for the evening to be presented. Mr. Woodhams stated that the agenda would be as follows:

Continued discussion on the land use plan
Continued discussion on zoning

Chairperson Deming asked if there was a motion to accept the Planning Commission minutes of July 13, 2009. A motion was made by Hamelink and supported by Woodhams to accept the minutes. The minutes were approved.

Chairperson Deming asked if there was any new business to come before the Commission. There was none.

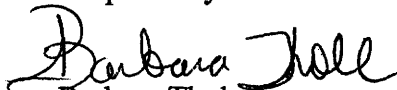

The commission then turned to old business and the discussion continued with Mr. Woodhams handing out copies of notes and maps he has made in regard to the Wakeshma Master Plan. (See Notes from Ed Woodhams).

The second item on the agenda of old business was in regard to zoning. Mr. Woodhams gave members copies of a map of the township, a drawing of the Fulton Village limits, and a drawing of Section 16 which would include the C-2 Business District. There was discussion of these drawings. Mr. Woodhams asked that the members come back to the next meeting with their comments in regard to the discussion about the business district and village limits.

At the September meeting the agenda will again include the land use plan and Mr. Woodhams notes from the August meeting.

Motion was made by Burr and supported by Hamelink to adjourn. The meeting adjourned at 8: 24 PM.

Respectfully submitted:
